Sisters and Brothers:

Thank you so much for all of the hard work you have done in helping to elect our new President-Elect Barack Obama.

This is a moment in history in which we all played an important part and one we can be proud of.

Our work is not done; we have much to do to assist President-Elect Obama in making the United States the Economic and Democratic Power it once was.

The American Labor movement has an opportunity to grow and prosper under President-Elect Obama, we must seize this moment for the betterment of our Union and the United States of America.

I know I can count on all of you to continue to work hard for our current and future members.

We all must pray for our new President and our Nation.

Thank you again and God Bless you.

In solidarity,

George J. Francisco, Jr.
President NCFO
